

Healthy Marriage Weight Loss Educator Contract

I will not charge anyone to attend any of my Healthy Marriage Weight Lost program sessions until I have received an average score of 90%, for each session, on my educator evaluations by my last 30 students.

I agree to teach the material as outlined in the program. If I want to teach information not contained in the student workbook, instructor manual or online version of the program I will check with The National Healthy Marriage Institute first.

I will stay within the boundaries of an educator and not stray into the role of a therapist.

I will have no sexual contact with any student. Sexual contact being defined as any sexual contact from kissing to intercourse.

I will be honest and treat each student fairly.

I understand this contract can be changed in the future by The National Healthy Marriage Institute. At that time I can either agree to the new terms of the contract or choose to no longer teach the Healthy Marriage Weight Loss Program.

Failure to comply with this contract is grounds for terminating your affiliation with the Healthy Marriage Weight Loss Program and prohibits you from teaching the Healthy Marriage Weight Loss Program..
